

*“Helping my neighbor made an impact ...
in my life and theirs!”*

Become a Friendly Visitor!

Support most needed by your neighbors:

- Driving a neighbor to a medical appointment or to run an errand.
- Helping a neighbor with grocery shopping.

Volunteers may also provide any of the following needed support:

- Visiting with a neighbor...playing a game, offering clerical support, reading or chatting.
- Making a reassuring phone call to a neighbor living alone.

We professionally train and supervise Friendly Visitor volunteers to provide support to neighbors in need.
Background checks are included in the training.

Volunteers of all ages are welcome!
